

CHARACTER OF CHAMPIONS CONTRACT

TEAM (Together Everyone Achieves More):

I will work as a team member by cooperating with teammates, teachers, mentors and coaches. I also agree that if I have a conflict with any of my teammates that I will work it out with them by asking for help from a teacher, mentor or coach.

Respect:

I will show respect for my teammates, teachers, mentors, coaches, the Urban Promise Center property, and myself while I attend the Starfinder Program. I will not use actions or language that show disrespect for my teammates, teachers, mentors, coaches, myself or the center's or other people's property.

Integrity:

I will be honest with my teammates, teachers, mentors and coaches by always telling the truth and by not cheating on any work or assignments. I also agree to show positive sportsmanship on and off the field.

PRIDE: (Personal Responsibility In Developing Excellence)

I will always strive to be my best and to take responsibility for my actions and my words. I understand that if I'm going to improve in soccer, school and life then it's up to me.

Persistence:

I will keep trying and never give up, even when the job is difficult. I will try my best on the soccer field and in the classroom, and I will stick with the Starfinder **PDC** throughout the entire school year.

Caring:

I will care for my fellow teammates and not just for myself. I will try to help others if I see them struggling and I will care about what my teachers and coaches teach me and ask of me.
