

CHARACTER OF CHAMPIONS

Starfinder's Core Values in Action:

TEAM (Together Everyone Achieves More):

I cooperate with teammates, teachers, mentors and coaches. If I have a conflict with a teammate, I work it out with them and ask for help from an adult.

Respect:

In my actions and my words I show respect for my teammates, teachers, mentors, coaches and for myself. I treat Starfinder's property and the belongings of others with care.

Caring:

I treat my teammates the way I would like to be treated. I help others when I see them struggling.

Integrity:

I always tell the truth and never cheat. When I say I will do something, I always keep my word. I show positive sportsmanship on and off the field.

PRIDE (Personal Responsibility In Developing Excellence):

I always strive to do my best and to take responsibility for my actions and my words. I know that it's up to me to work hard in order to improve in soccer, in school and in life.

Persistence:

I keep trying and never give up, even when the job is difficult. I give my best effort on the soccer field, in the classroom and in life.
