

Saturday | March 2nd | Competitive
Sunday | March 3rd | Recreational
9:00 AM to 1:00 PM
Starfinder in Manayunk
4015 Main St., Philadelphia, PA 19127

Proudly presented by

Starfinder Cup is an indoor charity soccer tournament that brings together soccer players, co-workers and friends for an exciting morning of soccer.

More than a typical tournament!

All proceeds support Starfinder's programs that use soccer as the gateway to developing and transforming the lives of kids in Philadelphia.

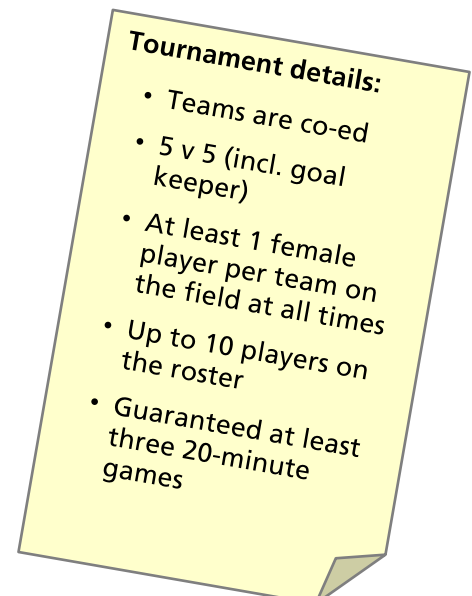

***Join us for soccer and team building with your colleagues ...
and create real social change, one kid at a time.***

Soccer for Social Change.

Starfinder uses soccer as the catalyst to transform underserved youths' lives through deep programming, supportive mentorship, and a tight knit community. Every year, we launch youth into society as engaged, responsible leaders who will positively impact the thousands of lives they will touch over a lifetime.

Starfinder runs one of the deepest sport-based development programs in the region, offering resources on and off the field including coaching and mentorship; academic support like SAT prep classes and college application assistance; and training for soft-skills like effective communication and critical thinking.

Our Kids: Meet a Starfinder participant and you'll know it. Each of our graduates are proud, resourceful, confident, caring leaders who are prepared to step into the adult world and have a positive impact on the world around them.

This is how we inspire real social change — one kid at a time.

Our Statistics Speak for Themselves: Starfinder's program has touched over 10,000 underserved youth since its inception, with our graduating seniors achieving a 100% high school graduation rate and 92% college matriculation rate in a city where over 30% of kids drop out during high school.

Our programs support youth in three key areas:

- **Health & Physical Fitness:** *Starfinder gets kids moving through soccer and fitness training, fun active games, and competition.* We encourage good nutrition and other healthy behaviors. We help kids develop a positive identity as athletes and healthy habits that will benefit them throughout their lives.
- **Emotional Wellbeing:** *Starfinder is an inclusive community and safe space where youth can be their authentic selves and where they can use their voices and be heard.* We help kids build supportive relationships with Coaches-Mentors, staff, and each other. We help them build awareness and skills that start with the self and build outward to interpersonal relationships, team, and community. We help young people become more resilient in the face of adversity.
- **Future Focus:** *Starfinder helps youth develop the practical and personal skills that will help them achieve their full potential.* We support their academic success, both directly—through tutoring and college guidance—and indirectly—by cultivating confident learners with a growth mindset. We guide them to set goals and map out the steps to their own success – as athletes, students, members of the community, and future members of the workforce. We provide training, employment, and exposure to educational and career options as a springboard to success.

“A lot of people think Starfinder is just a place to play soccer. It is so much more. It changes you.”

- Kyri (teen participant)
